25TH DÜSSELDORF INTERNATIONAL ENDOSCOPY SYMPOSIUM

February 2 – 4, 2023
Maritim Hotel, Airport City, Düsseldorf

www.endo-duesseldorf.com

Scientific Directors

Torsten Beyna, MD, PD
Horst Neuhaus, MD, Prof.
Evangelisches Krankenhaus Düsseldorf

Congress Coordinators

Nicole Balasus, MD
Christian Gerges, MD
Rachel Heise-Ginsburg, MD
Jörg Höllerich, MD
Christoph Rüther, MD
Thomas Veiser, MD

In cooperation with

DGVS

Deutsche Gesellschaft für
Gastroenterologie,
Verdauungs- und
Stoffwechselkrankheiten

Deutsche Gesellschaft für Gastroenterologie, Verdauungs- und
Stoffwechselkrankheiten e.V.

The symposium is endorsed by

Berufsverband Niedergelassener
Gastroenterologen Deutschlands e.V.

Berufsverband Niedergelassener Gastroenterologen Deutschlands e.V.

Deutsche Gesellschaft für Endoskopie und Bildgebende Verfahren e.V.

Endorsed by

European Society of Gastrointestinal Endoscopy

Japan Gastroenterological Endoscopy Society

WEO
World Endoscopy
Organization

World Endoscopy Organization

Dear colleagues,

It is our great pleasure to invite you to the 25th edition of our symposium. Planning a congress during the ongoing pandemic is still challenging. However, after two years of the pandemic and a successful world-wide vaccination program, we feel that it is now time to step forward and regain a bit of normality. It is our great wish to hold again an on-site congress that offers opportunities for face-to-face meetings with colleagues, business partners and friends old and new. Furthermore, we will be more than delighted to celebrate the jubilee of the 25th edition of our symposium together with you in Düsseldorf in February 2023!

The full scientific program will only be accessible on-site in the Maritim Hotel Düsseldorf. For those that cannot travel from abroad, parts of the live demonstrations will be broadcasted online. Only in the unlikely event of another severe pandemic wave with significant new restrictions, the symposium will take place in full hybrid format. The program will then be slightly modified, and we may also broadcast from other centers.

As with our previous meetings, experts from different parts of the world will take part so that we can learn from each other at an international level. A varied program of live demonstrations from the Evangelisches Krankenhaus Düsseldorf, mini- and satellite symposia, state-of-the-art lectures and breakout sessions provide an ideal professional environment for learning and exchange of knowledge and experiences. It is designed to encourage your active participation and stimulate discussion. For the first time, hands-on sessions for basic and advanced endoscopic techniques will be offered for endoscopists with various levels of experience. The high number of participants and the very positive results of surveys from our previous symposia prove the successful concept. The faculty, the congress organization, Lux AV and our team are pleased to welcome you!

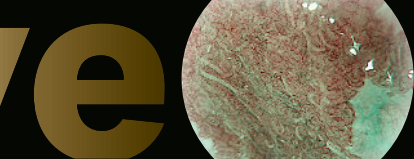

We wish you an interesting and enjoyable stay in Düsseldorf!

Horst Neuhaus

Torsten Beyna

Learning objectives

- Evaluate recent advances in endoscopy; assess their clinical utility and level of evidence
- Apply traditional and new endoscopic techniques, instruments and accessories
- Choose the optimal endoscopic approach for specific case management
- Manage failed interventions and adverse events
- Recognize the importance of an interdisciplinary approach
- Emphasize the importance of quality assurance in endoscopy

International, multimedia and interactive format

- Presentations and demonstrations by renowned experts from around the world
- 7 hours of live endoscopy cases transmitted from the Evangelisches Krankenhaus Düsseldorf and from other centers in case of travel restrictions
- Basic and advanced hands-on courses
- Mini-symposia, state-of-the-art lectures, satellite symposia, snack with the experts
- Symposium for nurses
- Audience response system for interactive discussions, Q&A and debates
- Language: English, simultaneous translations in German and other languages

Cooperation with the biomedical industry

- Large exhibition of a wide range of conventional and novel biomedical products
- National and international representatives of numerous companies
- Variety of opportunities for interactions, discussions, demonstration of devices, expanding contacts and business

Intended audience

- Gastroenterologists, oncologists, internists
- Surgeons, interventional radiologists
- Nurses
- Trainees, students

Symposium location: Maritim Hotel Düsseldorf

- Situated at the Düsseldorf International Airport and easily accessible by all transportation systems
- Modern conference halls with high quality audiovisual transmission and a spacious area for exhibitions
- Convivial atmosphere for breaks and informal interchanges
- Convenient accommodation at special rates

COCS GmbH – Congress Organisation C. Schäfer

A professional and experienced organization which has successfully managed our previous symposia as well as many other national and international congresses

Website www.endo-duesseldorf.com & congress platform and mobile app

- Scientific Program in different languages
- Online registration
- Selected lectures and edited live cases in the Highlights

HANDS-ON COURSES

Hands-on courses are offered in two skill levels to provide practical experience on new techniques and devices. "Basic" courses are dedicated to endoscopists with no or limited practice in a specific procedure. "Advanced" courses enable experiences to be expanded for those who already have basic skill in clinical practice. One tutor will teach 4 participants in each session of 90 minutes.

Registration is limited due to a limited number of sessions and working stations. It will be offered on a first come – first served basis only for registered attendees of the symposium. The registration fee for each course is 90,- EUR.

THURSDAY, FEBRUARY 2, 2023

09.00	1BA	Basic: ESD upper GIT
	1BB	Basic: EMR colorectum
	1BC	Basic: EUS interventional
	1AA	Advanced: POEM
	1AB	Advanced: Management of bleeding
	1AC	Advanced: Defect closure / suturing
11.00	2BA	Basic: EMR upper GIT
	2BB	Basic: Management of bleeding
	2BC	Basic: ERCP
	2AA	Advanced: ESD upper GIT
	2AB	Advanced: EMR colorectum
	2AC	Advanced: EUS interventional
13.00	3BA	Basic: EMR upper GIT
	3BB	Basic: Defect closure
	3BC	Basic: Barrett ablation
	3AA	Advanced: ESD upper GIT
	3AB	Advanced: EUS interventional
	3AC	Advanced: ERCP

Please find all details about the satellite symposia on page 16/17

FRIDAY, FEBRUARY 3, 2023

08.30 INTRODUCTION

08.40 LIVE DEMONSTRATIONS I

Panelists: *M. Barthet, Marseille; R. Bisschops, Leuven; S. Faiss, Berlin; H. Neuhaus, Düsseldorf; G. Rettig, Berlin; A. Sethi, New York; P. Zhou, Shanghai*

10.15 *Coffee break & visit of exhibition*

10.45 1ST MINI-SYMPOSIUM

Management of upper GI motility disorders

Chair: *I. Gralnek, Afula; T. Rösch, Hamburg*

10.45 Diagnostic approach to dysphagia and non-cardiac chest pain
B. Schumacher, Essen

10.58 Endoscopic treatment of motility disorders and related diverticula
H. Inoue, Tokyo

11.11 Prevention and treatment of recurrent symptoms and reflux after POEM
G. Costamagna, Rome

11.24 Questions & answers

11.35 LIVE DEMONSTRATIONS II

Panelists: *N. Andersen, Hamburg; J. Devière, Brussels; M. Khashab, Baltimore; T. Kucharzik, Lüneburg; N. Reddy, Hyderabad; Y. Saito, Tokyo; H.-J. Schulz, Berlin; H. Yu, Wuhan*

13.00 *Lunch break & visit of exhibition*

Satellite Symposium (details on page 17/18)

14.00 LIVE DEMONSTRATIONS III

Panelists: *G. Costamagna, Rome; A. Dormann, Cologne; M. Kaminski, Warsaw; H. Messmann, Augsburg; G. Rettig, Berlin; T. Rösch, Hamburg; U. Tappe, Hamm; S. Varadarajulu, Orlando*

15.45 *Coffee break & visit of exhibition*

FRIDAY, FEBRUARY 3, 2023

16.15 2ND MINI-SYMPOSIUM

Current management of Barrett's esophagus and associated neoplasia

Chair: *S. Faiss, Berlin; U. Tappe, Hamm*

- 16.15 Diagnostic approach with standard- and high-tech endoscopes
H. Messmann, Augsburg
- 16.30 Strategy and personalized techniques for resection of early visible lesions
S. Seewald, Zurich
- 16.45 Current and future role of ablation in Barrett's esophagus
R. Bisschops, Leuven
- 17.00 Questions & answers

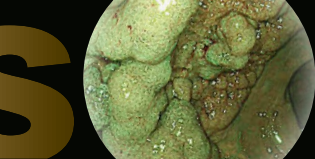

**16.15 SYMPOSIUM FOR NURSES /
SYMPOSIUM FÜR PFLEGE- UND ASSISTENZPERSONAL**

Vorsitz: *F. Hagenmüller, Hamburg; U. Pfeifer, Düsseldorf*

- 16.15 Polypektomie und EMR im Kolon: welche Technik für den individuellen Polyp?
S. Seewald, Zürich
- 16.35 Schneiden und Koagulieren: was ist wichtig für die tägliche Praxis?
H. Neuhaus, Düsseldorf
- 16.55 Beispiele von Komplikationen: wie sollten sie erfasst (CIRS) und therapiert werden?
S. Faiss, Berlin
- 17.15 Rundtischgespräch: Ambulante endoskopische Therapie: was geht und worauf ist zu achten?
A. Dormann, Köln; F. Hagenmüller, Hamburg; U. Pfeifer, Düsseldorf
- 18.00 Ende des Symposiums für Pflege- und Assistenzpersonal

Bitte beachten Sie:

Das Symposium für Pflege- und Assistenzpersonal findet ausschließlich in deutscher Sprache statt.

FRIDAY, FEBRUARY 3, 2023

17.20

SNACK WITH THE EXPERTS reloaded

No formal lectures but case-based discussions

- A) Flat colorectal lesions: resection techniques, prevention and treatment of recurrences
M. Kaminski, R. Maselli, H. Yu
- B) Pancreatic cystic neoplasms: rational endoscopic management
M. Barthet, S. Faiss, B. Schumacher, S. Varadarajulu
- C) Optimizing ESD and submucosal endoscopy: techniques, tips, results
H. Inoue, H. Neuhaus, Y. Saito, P. Zhou
- D) Diagnostic and therapeutic approach to indeterminate biliary strictures
T. Beyna, J. Devière, N. Reddy
- E) Gastrointestinal perforations, leaks and fistulas: endoscopic and multidisciplinary management
G. Costamagna, M. Khashab, T. Rösch
- F) Ampullary and non-ampullary duodenal neoplasias: effective and safe endoscopic resection
R. Bishops, H. Messmann, S. Seewald
- G) Young endoscopists meet EYE and WIE- shaping my career in GI endoscopy
I. Gralnek, K. Pawlak, A. Sethi, E. Wedi

18.30

End of the first day of the symposium

SATURDAY, FEBRUARY 4, 2023

08.30 3RD MINI-SYMPOSIUM

Biliopancreatic interventions in failed ERCP and altered GI anatomy

Chair: *J. Devière, Brussels; H. Neuhaus, Düsseldorf*

08.30 Advanced techniques to avoid ERCP failures
N. Reddy, Hyderabad

08.45 Endoscopic approach in altered GI anatomy
A. Sethi, New York

09.00 EUS-guided interventions for ERCP failures or as a first-line approach
M. Barthet, Marseille

09.15 Panel discussion

09.30 STATE-OF-THE-ART LECTURE

G. Costamagna, Rome

Artificial intelligence and quality measures in colonoscopy: current and future impact on colonic cancer prevention

M. Kaminski, Warsaw

09.50 *Coffee break & visit of exhibition*

10.15 LIVE DEMONSTRATIONS IV

Panelists: *N. Andersen, Hamburg; I. Gralnek, Afula; F. Hagenmüller, Hamburg; H. Inoue, Tokyo; R. Maselli, Milan; K. Pawlak, Szczecin; B. Schumacher, Essen; S. Seewald, Zurich*

12.35 Outcomes of live procedures of the 25th DIES
Chair: *C. Gerges, Düsseldorf; P. Reinecke, Düsseldorf; H.-J. Schulz, Berlin*

12.50 *Lunch break & visit of exhibition*
Satellite Symposium (details on page 18)

SATURDAY, FEBRUARY 4, 2023

14.05 STATE-OF-THE-ART LECTURE

Introduction: *A. Sethi, New York*

Role of diagnostic endoscopy in IBD

T. Kucharzik, Lüneburg

14.25 4RD MINI-SYMPOSIUM

New Technologies

Chair: *T. Beyna, Düsseldorf; A. Dormann, Cologne; R. Maselli, Milan*

14.25 Artificial intelligence in endoscopy: impact on teaching and clinical practice
H. Yu, Wuhan

14.40 Update on EUS devices for diagnostic and therapeutic interventions
S. Varadarajulu, Orlando

14.55 Colorectal ESD – update on devices, techniques and teaching
Y. Saito, Tokyo

15.10 New tools for endoscopic defect closure, suturing and vacuum therapy
M. Khashab, Baltimore

15.25 Metabolic and bariatric endoscopy – current and future role for treatment of T2D and NASH
J. Devière, Brussels

15.40 Transmural intraabdominal resections – how far can we go?
P. Zhou, Shanghai

15.55 End of the symposium

Registration

Please register on our website www.endo-duesseldorf.com

Payment will be made directly online.

Due to a limited number of seats, a separate registration on a first-come, first-served basis is necessary for the hands-on courses, the snack with the experts, the symposium for nurses and all satellite symposia. Depending on currently valid restrictions related to the pandemic, the organizer reserves the right to hold the event only online.

The registration fee is indicated in EURO.

Registration fees onsite

Includes admission to the scientific program and access to the congress platform (live stream of endoscopy demonstrations and all highlights on demand)

	until Dec 15, 2022	from Dec 16, 2022
Physician	EUR 160,-	EUR 190,-
Assistant Physician	EUR 120,-	EUR 140,-
Member of WEO / DGVS / JGES / DGE-BV / ESGE / bng*	EUR 120,-	EUR 140,-
Endoscopy nurse	EUR 40,-	EUR 60,-
Student*	EUR 20,-	EUR 30,-

The registration fee for each hands-on course is EUR 90,-

** Please submit certification upon registration. Without certification, the regular conference fee will be charged.*

Cancellation

In case of cancellation until December 15, 2022 we will reimburse your payment minus a service fee of 25% of the registration fee.

In case of cancellation after December 15, 2022, no refund can be provided. Cancellation of registration is only possible in a written form.

In case of severe restrictions related to the pandemic, the course will be held in a fully hybrid format and the full scientific program will also be accessible online in real-time and fully interactive.

Venue

Maritim Hotel Düsseldorf, Airport City
Maritim-Platz 1, 40474 Düsseldorf
www.maritim.de

Congress Website	www.endo-duesseldorf.com
Accreditation & Certificate	Recognition of the symposium will be applied at the Ärztekammer Nordrhein, the Swiss Society of Gastroenterology and at the EACCME-UEMS, as well as at the Registrierung beruflich Pflegender. Satellite symposia are excluded from certification. From February 20, 2023 you can download your certificate. Please log-in on the congress platform/personal area.
Language	English with simultaneous translation to German. Please note that the nursing symposium will be in German and the snack with the experts will be in English without translation.
Hotel reservation	A room allotment is available at the conference hotel until January 2, 2023 (keyword ENDO2023). Please visit the congress website for further details and the booking link.
Arrival	All information regarding arrival will be found on the congress website.
Protection and hygiene concept	The onsite event will ensure a hygiene and safety concept adapted to the actual corona-related regulations. The current corona regulations will be communicated separately to all onsite participants prior to the symposium.
FSA Code	(Voluntary Self-Regulation for the Pharmaceutical Industry code) The support services of the members of the Mitglieder der Freiwilligen Selbstkontrolle der Arzneimittelfirmen e.V. are listed on the official Congress website www.endo-duesseldorf.com in accordance with the guidelines of the FSA Code. Decisive for the publication is the signing of the contracts.
Approval of employer	In accordance with the FSA Code salaried participants are asked to obtain permission for attendance of the symposium from their employers if necessary. The symposium is sponsored by pharmaceutical and medical companies without influence on the content of the scientific program. Sponsored satellite symposia are indicated.
Photography / recording	The organizers consider to display recordings, lectures and edited live demonstrations on the website www.endo-duesseldorf.com and congress platform.

**Liability**

The congress organizer will bear no liability for loss, accident, damage or injury to persons or property irrespective of the cause. The client participates at all sessions, tours and events at his / her own risk. Sole place of jurisdiction is Munich, Germany. German law is applicable. The organizer reserves the right to adapt the procedure and the structure of the congress to the official requirements.

**Opening hours of the
registration desk**

Thursday, February 2, 2023, 8.00 – 18.00
Friday, February 3, 2023, 7.30 – 18.30
Saturday, February 4, 2023, 8.00 – 16.00

THURSDAY, FEBRUARY 2, 2023

12.45 PENTAX EUROPE

Inspiring further steps towards innovation in endoscopy

Chair: *H. Neuhaus, Düsseldorf*

12.45 Welcome
H. Neuhaus, Düsseldorf

12.50 Quality indicators in GI endoscopy: new tools to support pathway improvements
P. Siersema, Nijmegen

13.05 Enhancing UC assessment with Red Density
R. Bisshops, Leuven

13.20 Greener endoscopy: what more can we do?
P. Caesar; U. Beilenhoff, Ulm

13.35 Discussion and Q&A

13.45 End of the satellite symposium

14.00 FUJIFILM

From screening to treatment – how new developments can improve patients' outcome

Chair: *T. Beyna, Düsseldorf; T. Rösch, Hamburg*

14.10 Detection and characterization of colorectal lesions – The role of AI so far, latest evidence and experience
J. Weigt, Magdeburg

14.30 Importance of sizing colorectal polyps for therapy and surveillance; an unsolved aspect of quality patient care?
D. von Renteln, Montreal

14.50 Current trends and the future of endoscopic resection
R. Maselli, Milan

15.10 Round table discussion

15.30 End of the satellite symposium

THURSDAY, FEBRUARY 2, 2023

16.00 OLYMPUS

Application and clinical benefit of new technologies in endoscopy – tips from experts and current evidence

Chair: *J. Devière, Brussels; H. Neuhaus, Düsseldorf*

- 16.00 Barrett's esophagus: advanced imaging and artificial intelligence
R. Bisshops, Leuven
- 16.15 Early upper GI neoplasia: optimizing endoscopic resection
S. Faiss, Berlin
- 16.30 Gastroesophageal subepithelial lesions: endoscopic management
H. Inoue, Tokyo
- 16.45 Difficult biliary access: stepwise ERCP- and EUS-guided approach
N. Reddy, Hyderabad
- 17.00 Creation of endoscopic anastomoses: pros and cons of different techniques
S. Varadarajulu, Orlando
- 17.15 Flat colorectal lesions: personalized resection methods
H. Messmann, Augsburg
- 17.30 Questions and answers
- 18.00 End of the satellite symposium

FRIDAY, FEBRUARY 3, 2023

13.00 MICRO-TECH ENDOSCOPY

Diagnosis and therapy in the biliopancreatic system

Chair: *M. Kaminski, Warsaw; S. Seewald, Zurich*

- 13.00 Let the show begin: efficient ERCP using short wire technique
T. Beyna, Düsseldorf
- 13.15 Cutting-edge EUS: Optimizing EUS-guided tissue acquisition
M. Barthet, Marseille
- 13.30 Round table discussion
- 13.45 End of the satellite symposium

FRIDAY, FEBRUARY 3, 2023

13.00 ERBE ELEKTROMEDIZIN

Utilizing the latest technologies in GI lesion management

Chair: *A. Repici, Milan; H. Neuhaus, Düsseldorf*

13.00 Optimal current selection for POEM

S. Stavropoulos, New York

13.20 HYBRIDknife® flex: initial impressions and learning curve for the newest knife designed specifically for colorectal ESD

J. Jacques, Limoges

13.40 The knife of the future: first in human experience with the newly released HYBRIDknife® flex

R. Maselli, Milan

14.00 End of the satellite symposium

SATURDAY, FEBRUARY 4, 2023

13.00 BOSTON SCIENTIFIC

New developments in Hepato-Pancreato-Biliary Endoscopy

Chair: *R. Maselli, Milan; S. Varadarajulu, Orlando*

13.00 Single-use endoscopes: future role and impact on green endoscopy

I. Gralnek, Afula

13.15 Merging EUS and ERCP: traditional and advanced technologies

M. Barthet, Marseille

13.30 Cholangiopancreatography: evidence based approach and future perspectives

A. Sethi, New York

13.45 Round table discussion

13.55 End of the satellite symposium

During the symposium there will be an exhibition of technical and pharmaceutical products in the foyers on Friday, February 3 and Saturday, February 4 in front of the lecture hall and in the gallery.

The exhibition can be visited during the following opening hours:

Friday, February 3, 2023, 9.00 – 18.00

Saturday, February 4, 2023, 9.00 – 16.00
